Discover adventure and innovation at the Air Zoo! Experience over 100 legendary aircraft and spacecraft, interactive exhibits, a world-renowned Restoration Center, and thrilling flight simulations. Enjoy the immersive theater and browse unique souvenirs in the museum store. With two exciting campuses, the Air Zoo invites visitors to explore aviation, engineering, science, technology, math, and art in a fun and engaging way. Featured exhibits include *Daughters of the Sky: The Women Airforce Service Pilots of WWII* and the *Women in Air & Space Interactive Timeline*, along with many more inspiring displays.

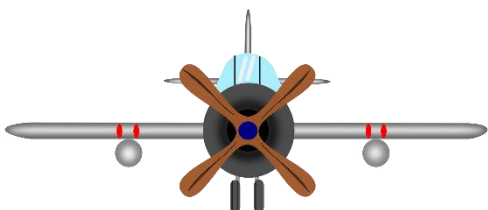

After exploring the many aircraft, step back in time with a visit to the Kellogg Manor House, on beautiful Gull Lake, which was the former estate of cereal pioneer W.K. Kellogg. Built in the early 1920s as a summer retreat, this 32-acre property was designed to reflect the charm of an English country estate while offering modern comforts for seasonal living. The estate also served as a place of relaxation and recreation for Kellogg’s valued employees, making it both a personal retreat and a welcoming gathering place.
